Carry-Over Bulk Seed

New germination tags or labels will be supplied to you for your carry-over seed. Germination testing is performed at the NYS Seed Lab in Geneva, NY or by a commercial seed lab. If your seed was purchased within 1 year from the date of your request, there is no charge for the test or tags. If your seed was purchased more than 1 year ago, it will cost you \$20.00 per variety for the test and tags. Because we experienced many problems and delays internally processing your requests, we need your help.

1. Please send us your request for germination tags before October 1st.
2. We must have complete information from your previous tags. As indicated. If you know the date of purchase, please tell us.

EXAMPLE

Quantity on Hand	Size: 1 lb., ½ lb., oz., etc.	Lot No.	Variety
5 Ea.	1 lb.	117-3980	Beans, Slenderette
2 Ea.	25 lb.	492-5780	Peas, Wando
15 Ea.	1 oz.	568-5780	Squash, Zucchini

3. And, since we usually do not carry over Lots, we may need a 200 seed sample of Lots you have on hand. If so we will contact you.

We will process properly completed requests on a first come first serve basis. New tags and labels will be supplied to you beginning in February. Any requests without proper information will be returned to you. We want to thank you for your cooperation and hope this will provide a more efficient system for processing your requests.

Peas, Beans & Corn

Most all varieties can be custom packaged in the 1 lb. & ½ lb. sizes with the exception of treated corn. Inquire for pricing.

Small seeds can be ordered in the 1 oz. packaging if the price is not listed, please ask.
